Heavenly Chocolate Milk

Hot, Frothy & Heavenly... This chocolate milk is ridiculously quick to make and utterly delicious!

Serves 4

Ingredients

1 litre semi-skimmed milk or non-dairy alternative

8 tbsps Bonne Maman Hazelnut Chocolate Spread

On a hot day, make the chocolatey drink with all the milk, cool and chill. Serve topped with a scoop of vanilla ice-cream.

Method

1. In a medium saucepan, heat 750ml of the milk to almost boiling. Remove from the heat and stir in the Hazelnut Chocolate Spread.
2. Leave to melt for about 30 seconds then whisk for 2-3 minutes until the milk and spread are blended, smooth and creamy.
3. Pour into four heatproof glasses or mugs.
4. With a milk frother, whisk the remaining plain milk until doubled in size and very frothy. Spoon onto the hot hazelnut chocolate milk and enjoy.
